

Flatbed colour scan

SMA 32

and colour copy system – up to A3/A2

Scan and Copy System

Scan System

SMA 32 ScanFox

The Scan-Copy-Station – the ultimate free standing station based on SMA scan technology. The device is extremely simple to use wherever digital replication of books and documents is required.

Scans which are quick off the mark

Faster than you can look. With the ScanFox you get the first scan on your screen, ready for processing, after approximately 10 seconds. The intelligent interface technology enables simple connection to the network, as standard through a software scan server or via the optional hardware scan server. This way you have super fast access to your scans from every connected computer.

- Network-capable A3 scanner
- High-speed data transfer (up to 7.5 ppm) with optional single page feeder
- 600 x 2400 dpi resolution with EPSON MicroStep Drive
- 36 bit internal color intensity
- Xenon cold light lamps
- Optional Firewire IEEE 1394
- Push button technology

Software supplied

EPSON Scan Server
EPSON Network TWAIN
Adobe PhotoDeLuxe
Xerox Textbridge Pro

Operating systems

Windows 98
Windows 2000
Windows Millennium
WIN 95, NT 4.0, only via SCSI connection

Scan software features

- Unfocussed masking
- Multiple photo scanning
- Gamma correction: 5 integrated, user-defined
- Color correction: 4 integrated, user-defined
- Zoom: up to 400% at 1600 dpi
- Text enhancement technology (TET)
- Auto Area Segmentation (AAS)

Scanner and book cradle features

- Controlled book pressure from 0 to 6 kg adjustable
- Mode for automated operation: when activating footswitch *book cradle up* – scan starts automatical.
- Speed control for movements up and down
- Bookcradle –90° degrees rotation
- Book curve correction

SAM 32 ScanFox

The network-capable A3 scanner. With 600 dpi optical resolution.

Specifications

Type

Flatbed color scanner with push-button technology

Photoelectric conversion

CCD Line sensor

Document size

DIN A3 (297 x 432 mm)

Effective pixels

Approx. 71.6 megapixels

Resolution

600 x 2400 dpi

Color intensity

36 internal bits

24 external bits

Speed

– **Monochrome:** 1.4 ms/line = approx. 10 sec/
DIN A3/600 dpi/high speed mode

– **Colour:** 4.0 ms/line = approx. 30 sec/DIN A3/
1200 dpi high speed mode

Push buttons (Footswitch)

One: start

Focus

Automatic

Light source

White, fluorescent xenon cold-light cathode lamps

Interface

2 x SCSI-II, Firewire optional

Book cradle

Book thickness: 180 mm

Book size: A2 (open book)

Book cradle: scan left side then right side of
A3 pages

Dimensions (W x D x H)

56 cm x 92 cm x 108 cm – without Monitor

Weight

Approx. 65 kg – without PC and Monitor

Robert-Bosch-Straße 2–4 · D-61184 Karben
